### **PAYMENT METHODS & INFORMATION**

#### **CANADIAN DOLLARS**

Regardless of which payment method you choose, funds must be received by us in Canadian Dollars.

WHEN YOU MAKE A PAYMENT, PLEASE TELL US THE METHOD YOU HAVE CHOSEN.

THE FOLLOWING IS A LIST OF PAYMENT METHODS.

1. email transfer
2. wire transfer
3. cheque drawn on a Canadian Bank in Canadian Dollars and mailed to us
4. money order (also called bank draft) in Canadian Dollars and mailed to us

THE FOLLOWING ARE DETAILS FOR EACH PAYMENT METHOD.

1. EMAIL TRANSFER
  - a. Although there are various names for the process (eg Interac & e-Transfer), the substance is the same.
  - b. The substance is that online you instruct your financial institution to send us funds and to advise us of this by email.
  - c. In your online instructions to your financial institution, have the email advising us of the transaction sent to [reservations@cacltd.ca](mailto:reservations@cacltd.ca)
  - d. By a separate email to [reservations@cacltd.ca](mailto:reservations@cacltd.ca) give us the exact wording of the answer to the security question that was set as part of the email transfer instructions you gave to your financial institution. Make the answer one word, with no punctuation, and only use lower case letters.

- e. This payment method does work across national borders, but sometimes it is difficult. If your payment is originating outside Canada, you might consider using one of the other methods of payment.
- f. If your payment to us is more than \$10,000, this payment method should not be used.

## 2. WIRE TRANSFER

- a. We will provide you with a Form from our financial institution.
- b. The Form will give you the details you will need to provide to your financial institution.
- c. Your financial institution will use the details on the Form to move the funds from your account to our account.
- d. Please make sure that the costs of your financial institution for this transaction are paid separately from the funds sent to our account. Otherwise, the funds we receive into our account will be insufficient by the amount of those costs.
- e. The full cost of the wire transfer is often not apparent to a guest at the time of sending funds and is only apparent when the amount entering our account is less than what the guest intended to send.
- f. There is no cost at our bank for us to receive a wire transfer.
- g. In the event the funds we receive are insufficient, we will contact you to arrange payment of the shortfall.
- h. Please tell us when you have initiated the transaction, so that we can watch for receipt of funds into our account.

## 3. CHEQUES

- a. Cheques drawn on Canadian Banks in Canadian Dollars should be made payable to Canadian Adventure Company Holdings (2015) Ltd.
- b. Mail the cheque to us at the above address.
- c. Cheques drawn on non-Canadian Banks should not be used.
  - i. Some cheques drawn on Non-Canadian Banks will not clear properly as we deposit them into our Canadian Bank account.
  - ii. This doesn't mean that there is something wrong with either our bank account or any particular non-Canadian Bank account.
  - iii. It simply means that some combinations of Canadian Banks & non-Canadian Banks won't clear a cheque properly.
  - iv. As such, if your cheques are drawn on a non-Canadian Bank, please use one of the other methods of payment.

## 4. MONEY ORDERS (ALSO CALLED BANK DRAFTS)

- a. These should be made payable to Canadian Adventure Company Holdings (2015) Ltd., in Canadian Dollars.
- b. Mail the Money Order to us at the above address.
